

St. Rita's Parish
2020 Christmas Giving Tree

St. Rita's Parish is pleased to once again sponsor our Christmas Giving Tree. However, due to the COVID-19 pandemic, the way the Giving Tree works will be different this year, but with as many heartfelt feelings for families who are in need.

Keeping everyone's health and safety in mind, we are therefore asking for either monetary donations or for Target Gift Cards. Each of our families will receive gift cards that will be based on the number and ages of children in the family.

If you send a check, please make it out to:

SVdP/St. Rita Chapter

and please write "**Giving Tree**" on the memo line. We would hope to have the donations by December 17th.

You may drop off your donation to the rectory or mail to:

P.O.Box 564

Fairfax, CA 94978

We hope that you will continue supporting this wonderful project and the families we serve with as much love and generosity as you have in the past.
